Jocelyn,

I had planned to be out of State the first week of September. I would therefore prefer that the Commission schedule this for either the week of August 26th or September 9th.

Jocelyn,

Blue Granite believes that it can make the originally planned date of July 18th work. Would it be possible to hold the night hearing on that date? We would also like to request a date certain for the evidentiary hearing when possible.

Thanks for your consideration.

Kind regards,

Sam

Dear Counsel:

Staff is in the process of identifying a mutually agreeable date to hold a public night hearing in this docket. I am writing to ask for confirmation from the utility that it is in agreement that this docket is not governed by the six-month deadline contained in Section 58-5-240(C) for issuance of the Commission's final order.
